Wayfaring Stranger

```
Am
I am a poor wayfaring stranger
                Dm                    Am
While traveling through this world of woe
                                   D7
Yet there's no sickness toil nor danger
               Dm    G          Am
In that bright land to which I go
```

Chorus 1

```
          F                C
I'm going there to see my Father
          F     C          E7
I'm going there no more to roam
         Am
I'm only going over Jordan
         Dm    E7   Am
I'm only going over home
```

```
Am
I know dark clouds will gather round me
          Dm               Am
I know my way is rough and steep
                            D7
Yet golden fields lie just before me
          Dm            G       Am
Where God’s redeemed their vigil's keep
```

```
Am
I’ll soon be free of earthly trial
          Dm               Am
My body lay beneath the sod
                            D7
I’ll drop this cross of self-denial
          Dm            G       Am
And I’ll go singing home to God
```

Chorus 2

```
          F                C
I'm going there to meet my Savior
          F     C          E7
To dwell with him and never roam
         Am
I'm only going over Jordan
         Dm    E7   Am
I'm only going over home
```
