IV. But why will He not permit the demons to speak? Mark 1:34

Questions for reflection:

- How is Jesus different from any other king or religious founder?
- Jesus was not the King that the Jews were expecting. Is He the kind of King that people are looking for today? Why or why not?
- How is Peter's mother-in-law an illustration of how we should respond to being 'healed' by Jesus?
- If Jesus has the amazing authority described in this chapter, why do we not trust Him with everything?
