Mission Corner Update

Each month I ask for your prayers for our team. In a very real way, our team members are being called by the Holy Spirit to this trip. In this uncertain Coronavirus environment, I want you to know we are moving ahead with our plans to go to Costa Rica on August 1. Please pray that God will make this trip possible by significantly reducing the severity of the Covie-19 pandemic. Please pray that we open our hearts and minds fully to the leading of the Holy Spirit, so that all we do and say while we are there glorify God and help grow His kingdom in Siquirres, Costa Rica.

I want to thank all of you who have continued to donate to the mission in Costa Rica. The funds you donate will go 100% toward mission efforts at Biblica Uncion y Fuego. We are planning to take certain supplies with us this year, and some of the money will go toward the purchase of those supplies. We are also planning on expanding our food distribution efforts this year from 30 families to 45 families, and some of the funds will be used for this effort. All additional money will go toward constructing the entry and exit gates to the church compound.

Pastor Luis is asking for our prayers that God would provide financial resources for emergency food distribution. Costa Rica has shut down its economy to minimize the impact of Covid-19. For the very poor in Siquirres who live from day to day trying to find whatever work they can to put food on the table, this has been disastrous. Please pray that God would move His people to support an emergency food distribution project through Biblica Uncion y Fuego in the near future.

As we go through sequestration and the fear of contracting Coronoavirus, we need to remember God is in charge. He was not surprised by this pandemic. He has a plan to work this for good for those who believe in Him. Take comfort in the fact that God says; "Do Not Fear" over 365 times in the bible. Look to Him for comfort and strength. He will lead us through to safety.
