What is the Gospel?

The word *gospel* means "good news." What's the Good News? Well, first we must understand the bad news. Mankind's rebellion and sin led to death and separation from our Creator. The Good News is that Jesus Christ, though totally sinless, died on a cross to pay the sin penalty for those who would believe.

On the third day, Jesus rose from the grave conquering death so that all who repent of their sin and trust in Him could be reconciled to their Creator and spend eternity with Him. "*Christ died for our sins in accordance with the Scriptures, that he was buried, that he was raised on the third day in accordance with the Scriptures*" (1 Corinthians 15:3b-4).
