Around our Diocese:

- We thank the Lord for many who have now recovered from Covid-19 in Nunavut and that the spread has been reduced, allowing for the communities to re-open. Continue to pray for healing and for the medical staff and leaders making decisions.
- Please pray that the message of Advent will be heard by many in our communities. That the message of Christmas will not be seen as a nice story, that people will understand that this is a message of God's incredible love for us and His salvation.
- Pray for the many who will be celebrating Christmas differently this year. Pray that the Lord will work in their lives and even though we may not be able to do many of our traditions, that God will bring us closer to Him.
