## Around our Diocese:

- Pray for our ATTS students as they begin their summer placements, Abraham and Samantha Kublu are in Arviat and Nick will be in Kugluktuk. Pray as they minister in these communities, putting into practice all they have learnt. Pray that the Lord will work through them to reach those who do not yet have a relationship with Him and to equip those who do.
- This month schools and colleges finish their year. Praise the Lord for all He has done this past year in the lives of our children and college students. We are thankful for our ATTS students Abraham and Samantha as they are about to complete their program. Today's verse is one of my daughter's favourite verse. It popped up in my devotions this morning and I thought it was appropriate as we celebrated with her yesterday her graduation from her Bachelor of Nursing program. Praise the Lord for all He has done in her life and the many who have just completed or are about to complete their studies.
