## In the Diocese Office:

Things here in the office are moving along with some tasks that we are in the middle of. Here are just a few:

- Developing a parish financial handbook/manual with some good bookkeeping tools.
- Reviewing the Diocese policies and procedures and making sure that there are good clear instructions.
- Expanding some policies and procedures, to make sure they are relevant.
- Updating the files of all the Diocese's properties and ensuring that all properties have current up to date documentation.
- Continuing to make sure our documents are archived correctly.
- Updating our paper and electronic filing system.
