

# Discovery Bible Study

Discovery Bible Studies, also called Discovery Groups, are small groups of people (no more than 6), who meet regularly to read the Bible together & ask/answer 8 simple questions (see below). Discovery Bible Studies are open to everyone but designed specifically for those who want to learn more about the Bible and what it means to follow Jesus.

## Discovery Bible Study Questions:

- 1 - What happened last week for which you are thankful?
  - 2 - What struggles are happening in your life/family/community?
  - 3 - How did your attempt to help with the need from last week go? (not asked first week)
- \*Read & then re-read a passage from the Bible (10-12 verses in length generally)
- 4 - What do we learn about God in this section?
  - 5 - What do we learn about humanity in this section?
  - 6 - How would your life change if you put this passage into practice?
  - 7 - Who do you know who needs to hear this lesson?
  - 8 - How can we help meet the needs (review struggles from #3)?
