Each workers position and responsibility will not be the same as stated on this schedule. We will only have Kids Ministry when there are Kids that need childcare. Until informed on Sunday Morning, every team will be on "stand by" each week they're scheduled, just in case.

Please note Kids Ministry is centered on the "At Home Kids Bible Studies" that everyone has access to each week on our website. On Sunday mornings, you will be having a "recap" of that previous week's Bible Study that the family would have gone through. There will be a few songs and the lesson video on the TV, and a printed leader guide in the black folder to help you lead through questions each week to help the kids understand and apply the main message.

Please see your Team Leader before service on the day that you're scheduled, to see if you will be needed in Kids Ministry.
