Gateway Ministry

The YMCA Resource Connection Gateway provides a single connection point to the right people and the right resources to address a variety of human needs. The Gateway extends a hand-up and not just a hand-out to anyone in need. I will commit myself to serve alongside BCC to serve in one of the following ways with the Gateway Ministry.

_____ First Responder: The first contact of a person in need to evaluate and direct them to the best people and resources.

_____ Coach: The person that helps the client as they move through the Gateway and helping them in specific ways.

_____ Follow up: The person who checks in with clients to get updates and make sure they are making upward progress.

Global Disciple-Making: Battleground Community's Short-Term Missions (STM) are trips less than 2 months in length and serve alongside Strategic Partners and Sent Workers.

Mission Trips

_____ Maine - June 8-13, 2020 - Community/relational evangelism

_____ Boston - August 30-September 2, 2020: Hands-on physical labor/support/community outreach

- I will financially support someone who is going on a Short Term Mission Trip in 2020.
- I will pray for someone who is going on a Short term Mission Trip in 2020.
- By checking one of the above Short Term Mission Trips, I am committed to go in 2020.
