For I, the LORD your God, hold your right hand; it is I who say to you, "Fear not, I am the one who helps you."

Isaiah 41:13

Continue to pray for Alyssa Kreitl and their new baby girl, Magnolia. We received word this morning from Jeff that after 24 hours both Mom and baby are doing well. Magnolia was born 10 weeks early and weighs in at 2 lbs 12oz. We rejoice with and continue to pray for Jeff and Susan and their entire family.

Pray that God would deepen our passion & commitment to live the Gospel.

Pray for God to strengthen marriages & families.

Continue to pray for our Missionaries. If you would like to have a list/update on all or any of them, contact the church office.

Update on Joie: Huge praise!! The last tests showed that Joie is cancer free! Joie is giving God all the glory! She will be staying in an apartment close to the hospital in Chicago for the next couple of months so that she is able to be back at the hospital daily for physical therapy and so that they are able to monitor how her body is reacting to the new bone marrow.

As most of you know, Faye Fagner was taken to the hospital on Monday of this week. She did have a stroke. Her right side was affected. She is currently having some issues with numbness on that side, but still able to use her arm and leg. She also is having some difficulty swallowing, so is on a soft food diet. Many different tests were done yesterday to try and determine the cause of the stroke. Please pray for patience for her in the healing process. She is able to speak but is having difficulty in putting all the right words together. Thank you for praying for us as a family as we look to take care of Mom. Pray for wisdom as the doctors look at the tests and determine the next steps.

Thank you for continuing to pray for Neil Owens. His surgery to repair an aneurysm went well. Please keep both Neil and Debbie in your prayers as he goes through his recovery. Pray for God to strengthen his heart & mind.

Loretta Disinger was taken to the hospital late last week with Covid. We are thankful that she is improving! They are looking to bring her back home this week. Thank you for continuing to pray for Dan & Loretta during this time, for strength and healing.

Thank you for praying for VBS! Pray for the teachers, helpers, games crew, kitchen crew, those leading songs and for the AV crew as we gear up for another amazing VBS! Pray for the kids that will be hearing the Gospel presented to them, perhaps for the first time ever, or perhaps they hear it everyday at home. Pray that God will begin to soften their hearts and prepare them for this great week!

Fear not, for I am with you; be not dismayed, for I am your god; I will strengthen you, I will help you, I will uphold you with my righteous right hand.
