### What about the offering?

We encourage you to continue giving generously to the Lord's work here at Bethel. Here are some different options available:

- Mail
- Bank bill pay
- Drop off at the office
- Call & have an elder or deacon pick it up for you
- Online giving through the website

### Office Hours:

We will mostly be working from our homes in the coming weeks. Please contact our cell phones or email us!

# THE BETHEL CONNECTION

## PRAYER

Remember those in our midst who have ongoing physical challenges:

Paulette Krulik Clifford Fritz Phyllis Fritz Judy Luckey Carrie Fritz Sue Baker Becky Arthur  
Faye Fagner Dorothy Nice Virginia Barr Linda McNabney Irma Germann

**Please be in prayer for Matthew & Laura Scott and their family. Matthew has been called up by the National Guard and deployed to Washington DC to serve during the rioting and unrest there. He is there now and uncertain how long the deployment will last.**

**Connie Davis is scheduled to have her hip replaced on June 10<sup>th</sup>. Please keep Connie in your prayers. This has been a long-awaited surgery. She had her knee replaced several months ago and was scheduled to have her hip replaced around the time that the Covid-19 hit their area, pushing back her original surgery.**

**Pray for the church leadership as they continue making plans for Bethel Bible Church. Pray for wisdom as they discuss everything from policies to bible studies!**

**Pray for the unrest that is facing much of our country. Pray that God, in His infinite wisdom, would use each of us as a beacon of His light!**

**FYI: Many of you have been asking about the new edition of "Our Daily Bread". With Covid restrictions, the printing has been a little slower, but should be at the church within a couple of weeks. If you would like to have one delivered to your house, please contact Melody. We will be sure that you receive a copy when we get them!**

### MISSIONS SPOTLIGHT

#### Charlie & Rachel Armstrong

**As you know, the Armstrong family is serving in France. France just recently began the process of a progressive deconfinement. They can now travel up to 100 km (versus 1 km) without requiring any formalities! They have flights scheduled for the U.S. for June 18; a home assignment which had been scheduled for some time. There are many unknowns concerning this flight, including whether it will even happen. Please pray for the family, that they will make wise decisions, and if the flight is not cancelled that they will be able to proceed with out too much confusion.**

### Speak Up!

From Pastor Don

Can you recall times in your life when you know you should have spoken up? Said or done something to try to correct a wrong, protect a person, shift the direction or impact a decision? I can.

I frankly cannot imagine what the 3 Minneapolis police officers who stood by in silence while George Floyd was killed by another officer must be thinking. What was going through their minds at the time that kept them from saying or doing something? Whatever it was, it was something about themselves that was more important to them at that moment than another person in need.

We can relate, right? Check out the Good Samaritan parable again in Luke 10:25-37.

We know that feeling in some way of missing an opportunity because we were so focused on our own agendas. In these days when our world is being exposed on many fronts as being full of broken people, may we as the church speak up. May we follow and obey our Lord by seeing and serving those with needs in the same way he has loved us. Speak up for those in your world who do not have a voice. Pray that God will enable us, the Bethel Church family, to recognize needs around us and act in such a way to bring the life changing truth of the Gospel to many in our community.
