

Seeing God's Hand Heroic Ruth
Bethel Bible Church October 18, 2020

One of the themes of the Ruth story is so obvious that we may walk past it to our loss. That truth is that Ruth is a Bible hero or should it be heroine. God raises up and uses Ruth in remarkable ways to advance his kingdom. What is God doing in our lives in these days? Raising up and assigning significant, life transforming, gospel centered work and ministry opportunities to our daughters, ladies, wives, girls, women – females of all ages and ilk's.

Jot down some of your impressions from the 5 introductory thoughts.

Three character qualities that we see in Ruth:

1. A disciplined godliness – a devotion to God.

2. A determined kindness – helping others.

3. A courageous humility – submissive to God.

Take Aways

1. Renew your hope in God.

2. Seek a mentor.

3. Serve someone with humble courage.
