

Seeing God's Hand Ruth 4:1-22
Bethel Bible Church October 11, 2020

Rescue stories are great stories! Deliverance, rescue, redemption are major themes of life in this world. The storyline of the Bible can be summarized in 4 words or concepts . . . creation, fall, redemption and restoration. These help us answer the question, what is God doing, what is he up to in our lives and world?

The 4th chapter of Ruth tells us how the story of redemption is completed in the lives of our favorite characters, Ruth, Naomi and Boaz. What is God doing? Both then and now, he is redeeming weak and powerless people.

Read Ruth 4. List observations/questions that come to mind as we read.

3 observations about how God redeems.

1. Redemption involves cost, the payment of a price.

2. Redemption requires a redeemer, someone to pay the price.

3. Redemption produces change, a new quality of life.

"For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many."
Mark 10:45
