

## Checking Your ID

1Peter 1:1-2 Bethel Bible Church 10/25/20

Who are you? What you believe about yourself is just as important as what you believe about God, Jesus, and the Bible. Who are you as a new person in Christ Jesus? How do you describe yourself?

Peter begins this encouraging and challenging letter by helping us understand who we are in Christ. Our identity determines not only our destiny but how well we enjoy and reflect the glories of our God.

Jot down a few thoughts about how believers in Christ typically identify themselves:

### Three key identifiers of the follower of Christ:

1. You are loved by God.
2. You are growing by the Holy Spirit.
3. You are obedient to Jesus.

### Take Aways

- 1.
- 2.
- 3.

*Grace and peace to you!*      You need them!
