

**BETHEL BIBLE CHURCH
WINAMAC, INDIANA**

- We are offering several different service options. There are two in-house services (Sundays at 9:15 am and also 11:15 am EST). To attend either of these services, we ask that you email the church office by noon Saturdays @ bbcwinamac@gmail.com. There is limited seating available in order to offer proper social distancing. We also offer a drive in service at 11:15 am on Sundays.

- The recommendation is that those 65 and above or who have an underlying at-risk health condition do not attend church inside the building (watch/listen at home at a later time or drive up and listen on the radio).

- Do not attend if you are sick or have been around anyone who is sick.

- Remain at least 6ft. away from those not in your family group at all times.

- Wear a face mask when entering and exiting the building until you are seated at your designated seat and any other time if you leave your seat.

- Stay at your designated seat the entire time if possible.

- Use hand sanitizer upon entering and exiting the building.

- Follow posted signs and only go in designated areas of the church building.
