The Heart Of Worship [Lyrics]

[Default Arrangement] by Matt Redman

Verse 1:

When the music fades, all is stripped away, and I simply come;
Longing just to bring, something that's of worth
That will bless your heart.
I'll bring you more than a song,
For a song in itself is not what You have required
You search much deeper within
Through the way things appear;
You're looking into my heart

Chorus:

I'm coming back to the heart of worship
And it's all about You, its all about You, Jesus
I'm sorry Lord for the thing I've made it,
When it's all about You, all about You, Jesus

Verse 2:

King of endless worth, no one could express, how much You deserve;
Though I'm weak and poor, all I have is Yours, every single breath
I'll bring you more than a song.
For a song in itself is not what You have required
You search much deeper within
Through the way things appear;
You're looking into my heart
