Title: Heartfelt Lovers of God and One Another

Discussion Questions:

1. Discuss what the differences are between an “if...then” relationship with God and a “because...therefore” relationship with God? How has a “because...therefore” relationship with Jesus changed your life?
2. Do you have a time and place that you meet with Jesus? A desolate (private and quiet) place to meet with the lover of your soul. When you think about sitting at the feet of Jesus what thoughts and feelings come to mind?
3. What things need to be silenced in your life to hear the Fathers voice? (TV, Computer, etc.)
4. Describe how you are feeling when it comes to all the chaos and change of the past month? Are you scared, hopeful, discouraged, anxious? Share and pray for each other.
5. What are some ways we can abide in Jesus together as a community group or family?
6. Who in my community today, is God calling me to be intentional about helping or serving? (Medical professionals, neighbors, singles, isolated, etc.) Be specific.

These are questions to ask Jesus in our silent, listening times with Him

(from Mark Comer):

- Is there anything you want to say to me today?
- Is there anything you want me to do today?
- Is there anyone you want me to bless today? In what way?
- How do you see me today, Father?
- What would be pleasing to you, Father?
- What lies have I been believing? Then after you wait and listen ask, what is the truth you want to replace that lie with?
