

# Welcome back!

**We have taken extra steps in keeping our environment safe for your family.**

- We've increased hygiene and cleaning protocols in Bridgeway Kids both during and in between services.
  - Hand-sanitizer will be available in all Bridgeway Kids classrooms and areas.
  - All toys and used surfaces will be sanitized for each service.
- 

# When you arrive,

**be ready for a redesigned check-in process to help support a safe environment.**

- We will provide a touchless experience as a Bridgeway Kids volunteers will help you at the check-in kiosks and handle sign in sheets.
  - To help us with the touchless experience, we ask you to [download the free Church Center App](#) (and search for *Bridgeway Church*) and conveniently check in your children on your device. Then you just scan it in at our kiosk.
  - Capacity may vary due to volunteer availability and current phase, *so please come early.*
  - *Pre-Check in does not reserve a spot in the classroom, only check-in at the kiosk secures your child's place.*
  - Children are always welcome in main service and sermon resources for kids will be available.
  - We will not be serving snacks, but make sure to label all bottles, pacifiers and water bottles.
- 

# We'll all need

**to work together to help keep our Bridgeway Kids safe.**

- Be sure your children wash their hands BEFORE entering Bridgeway Kids or use the available hand sanitizer.
- You'll see lots of big waves, but let's avoid high-fives, hugs, and handshakes.
- We encourage you to send one parent to check-in/pick-up to help limit traffic in the hallways.
- Please pickup promptly after service ends and exit the building by 10:30a/12:45p
