

February 12, 2012 Sermon Application Handout – One tangible and simple way to show love to our neighbor is to support those who are bringing the gospel in word and deed to people around the world. Calvary has several local, national, and international ministries and missionaries that we support. I would encourage you to prayerfully consider a specific ministry or missionary to give of your time and resources. Adopt a missionary or a ministry as a family. Encourage others in your fellowship group, Sunday school class or small group to do the same. There is a list of the ministries and missionaries that we support provided. If you need more information, go to our website (http://www.calvarybiblechurch.org/site/default.asp?sec_id=180007722) or contact the church office (818.556.4840 x200). May the Lord stir Calvary to love those in need.
