

WATCH PARTY GUIDE: FACEBOOK

Thank you for hosting a Calvary Boise Watch Party through Facebook! Watch Parties are great way to live out our mission to **help all people meet and follow the real Jesus today**. Through hosting one, you have an opportunity to start intentional conversations about Jesus with the people in your sphere of influence through a shared experience. Remember, life change happens best within the context of relationship where you can be loved and love others, because **love changes everything**.

The following information is a guide to help you host well. Feel free to copy and paste the provided verbiage as needed. Please read each section in full detail so that you're fully prepared. We appreciate your partnership with us and look forward to seeing you at our next Weekend Gathering Online.

I feel that same way sometimes! What do you all think?

Steve, it'd be great to attend the Wild Game Dinner with you. Would you want to go?

Easter is going to be amazing. Will join me for our celebration, Nancy?

CALVARY BOISE

ENDING

Next Steps (copy and paste the following):

This is a moment when you can help people meet Jesus today for the first time or take new step in following Him. Ask them to share their next step with us so that we can connect with them.

I know that we all have a best next step with Jesus. If you'd like to share yours, whether it is learning more about Jesus or joining a class, please message me privately or email info@calvaryboise.com and one of our pastors will connect with you.

Say Goodbye (copy and paste the following):

Before you end your watch party, make an intentional connection with each person who joined you and invite them back next week. When the Weekend Gathering Online is over, make sure you click the button from the drop down menu that says "End Watch Party." This will prevent other videos from automatically playing.

Thank you for joining me today! I hope that you enjoyed your time as much as I did. If you want to join me next week, please do! I'll be posting again, and we can continue attending Calvary Boise together.

Please visit calvaryboise.com to stay connected with us. If you have kids or students, visit calvaryboise.com/online for a schedule of their activities.
