

# WELCOME *Refugees*

## MINISTRY UPDATE:

Welcome Refugees is a ministry of Calvary Boise. The Lord has opened a door of opportunity to serve several refugee families who have fled persecution. We have formed private sponsorship groups through a new federal government program called Welcome Corps and are working towards bringing five families to Boise (four live in Turkey and one lives in Uganda).

Please commit to praying for these families. They face persecution every day for their faith in Jesus Christ. Pray that their hearts would know wherever they are that, “He who dwells in the shelter of the Most High will abide in the shadow of the Almighty” (Psalm 91:1). Pray for doors to continue to open for them to come join us in Boise, and for our teams as we prepare to welcome them.

## HOW CAN YOU HELP?

**Housing** - Do you have storage space, or temporary/permanent housing that you would be willing to donate or rent for our use?

*Please let us know if you would be willing to help in this way by filling out the form at [www.calvaryboise.com/welcomerefugees](http://www.calvaryboise.com/welcomerefugees). Our teams will reach out to you to discuss these needs further.*

**Household Items** - In the new year, we will begin gathering household items and furniture to set up homes for these families. Keep an eye out for upcoming opportunities to help.

**Join a Sponsorship Group** - Do you have a heart for those who are refugees and want to join one of our groups? Please email [missions@calvaryboise.com](mailto:missions@calvaryboise.com).

**Underground Church Financial Support** - With winter approaching and utility costs rising, as well as some facing threats of deportation, there is a need for financial support. If you desire to financially support our brothers and sisters in the Middle East as we work to get these families to a country of safety, you can do so at [calvaryboise.com/undergroundchurch](http://calvaryboise.com/undergroundchurch).
