4-25-21

1. When you look at a map, Macedonia is the opposite direction of Jerusalem, so why did Paul go to Macedonia first in verse 21? See Romans 15:25-27 and 1 Corinthians 16:1-4.

2. When something happens that changes the plans you have, how do you respond? Be ho

nest. Read Proverbs 16:9.

3. Look at Acts 19:32. Can you think of any modern examples where most people in a crowd don't know why they are there?

4. Read Acts 20:9. Do you think Eutychus was really dead? Or just knocked out? How many times have you fallen asleep during a Bible study? (FYI, I can see you sleeping from the pulpit. 😊)

5. Are there any life lessons the Lord spoke to you concerning this section of scripture?
