1. Paul was essentially on trial for following Jesus. Read 1st Peter 3:15 and answer the question; Does your conduct cause others around you to ask more questions about Jesus?
2. Paul is accused of being the ringleader of what sect (Acts 24:5) Why would this term be attached to Christians, and do you suppose it was meant for derogatory or complimentary? Read John to support your answer.
3. In Acts 22, after Paul had been beaten by the crowd in Jerusalem, he gave his testimony to the Jews. In Acts 24:10-21, instead of giving his testimony, what does Paul do differently? Why didn't he take the opportunity to give his testimony?
4. Read Psalm 27:14. Paul had to remain imprisoned for two years. Waiting can be very hard to do. What can waiting on God's help accomplish in us?
5. What stood out to you most in Acts 24? Is submitting to God a matter of obedience or convenience?
