LIFE GROUPS
10-10-21

1. Read Psalm 4:1. How does this verse relate with the story of Jonah and with your own life?
2. What changed Jonah's mind to finally call out to God? Why do some people wait until they hit rock bottom to finally call out to Jesus?
3. Jonah said in verse 3, "Your billows, and Your waves passed over me." How does the Lord use pain, difficulty, and coming to the end of ourselves to bring us back to Him?
4. Hopelessness is a terrible feeling, but how does God give us hope even in the darkest hour of our lives?
5. Some of you grew up with a belief that incapsulated your identity and ideology. Maybe you were determined nothing would change your position on your worldly identity? That is, until you encountered Jesus. Share with the group a time that this was you. What did it take for you to change your attitude and position?
