Study: Jesus is Better, Hebrews 4:14-16

Pastor Adam Dobbs

Paul David Tripp says, “You will never turn any created thing into your personal messiah. There is one true Messiah, and Life can be found only in Him.”

1. What are the things or people we look too to be our savior other than Jesus?

- Take time to discuss how those things ultimately will fail us.

2. Why do you think we look to those idols in the first place?

3. How is Jesus better than those idols?

4. How does He satisfy the core desires that our created idols can not?
