

20/20 Vision  
**Caring for Children**  
*Mark 9:36-37 and 10:13-16*  
February 16, 2020

---

**When we care for children...**

✂ We're following Jesus' example (Mk 9:36, 10:16)

✂ We're obeying Jesus' command (Mk 9:37)

✂ We're really caring for the family (Mk 10:13)

✂ We're proving that we get faith (Mk 10:14-15)

**My Takeaway:** Are you coming to Jesus with the faith of a child or the self-reliance of an adult?

**20/20 Vision:** Teaching the Bible with infectious creativity and enthusiasm that seeps into the whole family.

**Questions for Life Group or Personal Reflection**

**\*\*Please note: you should bring your Vision Summary card to Life Group**

- ✂ The point from the message that left me pondering or protesting:
  
- ✂ Do you have a favourite memory that stands out from your childhood?
  
  
  
  
  
  
  
- ✂ Read Hebrews 5:11-14. Jesus says we need faith like a child. The writer to the Hebrews says we need to “grow up”. Is the Bible contradicting itself? Are these ideas mutually exclusive? Jot down your thoughts:
  
  
  
  
  
  
  
- ✂ How can *you* care for the children of Calvary (even if you don't feel gifted in Children's Ministries)?
  
  
  
  
  
  
  
- ✂ Finish by praying:
  - Praise God that His kingdom is simple enough for a child to understand yet deep enough that we'll never fully comprehend it in this life
  - Pray for the volunteers of Calvary Kids, Charge and Camp
  - Pray for the children who attend Calvary's ministries weekly
  - Pray that we'd be a church that helps children to love and know God
