Troubleshooting Church
Acts 6:1-7
October 27, 2019

Getting started...

How can we be a healthy church regardless of what the future holds?

Their situation:

⌘ We keep the main thing the main thing (vs. 1-2, 4)

◆

◆

⌘ All of us engage in the work of ministry (vs. 3, 5-6)

◆

◆

My take-away this week:

Questions for Life Group or Personal Reflection

⌘ The point that really spoke, left me choked or got me stoked was:

⌘ Why is change so hard?

⌘ If Calvary happened to undergo significant change, what's 1 thing it would hurt for you to lose?

⌘ Read Ephesians 4:1-16. What role do you play in the church? What is the goal of the church?

⌘ Where do you think the biggest need for volunteers is in our church right now?

⌘ Take some time to pray. Ask God to give your leaders wisdom and power as they shepherd the church. Pray for a heart that would seek to love the people of Calvary and use your gifts to serve for God's glory.
