

Acts: Learning How to Church
"I'll Take it to Go, Please"

Acts 8:26-40
November 17, 2019

The Context (Acts 8:1-5):

Notes or Questions While Working Through the Passage (Acts 8:26-40):

The Application for Us:

Taking the gospel with you everywhere requires:

☒ Listening to God's promptings

☒ Answering peoples' questions

☒ Pointing people to Jesus Christ

What gospel opportunities has God placed in your LAP?

Questions for Life Group or Personal Reflection

☒ The point I pondered or protested from this week's message was:

☒ What are some reasons people struggle to share their faith?

☒ Which of the 3 applications from Philip's story (flip the page) stood out to you as an area you want God to help you grow?

☒ Read Romans 10:9-15. What are some insights you gain about sharing the gospel (good news) of Jesus Christ with others?

☒ Who is your 1? [The person you are praying for and looking for opportunities to share your faith with]

☒ Pray that you'd have the courage to invite your "1" to Evening in Bethlehem and to follow up with them in the weeks and months following.
