Persecution is growing around the world. More than 245 million Christians face high levels of persecution

a) Satan has asked to SIFT you like Wheat

Three ways Satan sifts followers of Jesus

1. Prosperity

2. Hardship

3. Persecution

b) But I have PRAYED for you

We need to follow the example of Christ and pray for others

Hebrews 10: 33 - Sometimes you were publicly exposed to insult and persecution; at other times you stood side by side with those who were so treated.
