

20/20 Vision  
**Seeing with God's Vision**  
**Nehemiah 1-2 and Acts 26:12-18**  
January 5, 2020

---

**What's your vision for the year?**

✂ **Spiritual vision is a biblical concept:**

2 Kings 6:17, Mark 8:17-18 & Ephesians 1:18-19

Habakkuk 2:2-3

✂ **The lesson of Nehemiah's Vision (Nehemiah 1-2:8):**

God's vision begins when He ignites a passion in us about the way things ought to be

✂ **The lesson of Paul's Vision (Acts 26:12-18):**

God's vision is the application of His mission in the specific setting of our lives

**What's God's 20/20 vision for you?**

**Questions for Life Group or Personal Reflection**

✂ Do you have a vision or goals for 2020? What are they?

✂ Did you identify with any of the people referenced in this week's message?

- Jesus' disciples (Mark 8:14-30)
- Habakkuk's vision (Hab 1-2)
- Nehemiah's burden (Neh 1-2)
- Paul's vision (Acts 26:12-18)

✂ Love God. Love people. Transformed lives for God's glory.

That's our mission. What ministries or programs at Calvary has God used to accomplish this goal in your life and the lives of people around you?

✂ Read Zechariah 4:6. Consider jotting this reminder down somewhere.

✂ Pray that God's vision for you and for Calvary would be clear:

- Pray that above all God would be glorified
- Pray for wisdom and clarity for Calvary's leaders
- Ask God what His vision is for *your* life
- Ask Him to show you how you can use your gifts and passions to be a part of His work at Calvary
