

# SERVE

Serve on Sundays >>> there's a place for everyone!

*"Seven minutes is all you get to make a positive first impression. **In the first seven minutes of contact with your church, your first-time guests will know whether or not they are coming back.** That's before a single worship song is sung and before a single word of the message is uttered."*

*--- Fusion, by Nelson Searcy*

## Connecting to purpose through serving.

We are not saved only to go to heaven when we die. God saves us because He has purpose for us. In order for us to accomplish that purpose, He has divinely and intentionally created us just as we are so we are equipped to be able to live out those purposes. Serving or ministering is leveraging all God has given us for His glory and to benefit others.

**Sunday Worship** --- We have many ways you can get involved serving at Canaan on Sundays. Some opportunities require little to no training. Others may require a couple of training sessions but we've got you covered!

## HOSPITALITY TEAM

The Hospitality Team has the wonderful responsibility of welcoming and greeting church attendees and new guests at the entrance doors, and after entering the building. This team also provides love and care through serving coffee, connecting with individuals/families, and helping people know where to go. This group shares their servant skills on Sunday mornings in the following ways:

Greeters • Connect Team • Coffee attendant • Guest kiosk attendants

## WORSHIP TEAM

The Worship Team strives to create an environment that enables our congregation to passionately worship, free from distraction. Sunday worship services consist of several moving parts in which volunteers serve together to produce a worship experience that gives glory and honor to our Lord. Volunteer opportunities include both technical and musical positions:

- Sound tech
- Video production
- Camera operator
- Lighting tech
- Lyrics tech
- Praise Band\*
- Praise Team\*
- Choir (\*audition needed)

## KIDZ MINISTRY TEAM

The Kidz Ministry Team is an important component of reaching out to families. Providing a loving, caring and safe environment for their kids, gives parents confidence that they are free to worship with the rest of the congregation. As parents are being discipled during worship time, the Kidz Ministry Team helps to disciple their children. Volunteer responsibilities include greeting parents, check-in attendants, teaching kids, assisting with Kidz Connection, Bible story, and other activities.

- Nursery
- Kidz Connection
- Child Check-in

## OPERATIONS TEAM

Smiles, a helping spirit, consistent order, and safety describe the Operations Team. Volunteers monitor the flow of traffic in the parking lot and help people find parking on busy days. We offer a helping hand to those who need assistance knowing where to go, carrying something in, or finding a seat. Volunteer positions include:

- Ushers
- Parking attendants
- Security
