

1 Corinthians 12:12-31

Passage Reflection

This page is meant for individuals, small group Bible studies, or one-on-one interactions. Since learning more about the text's meaning in our corporate gathering, I would encourage you to meditate on the passage again so that you might respond to God in praise and obedience. While I have not answered all of the questions below for you, I've included some of my personal meditations that may be of some benefit. May reflection on this passage be used by God to conform you into the image of Christ.

What do I learn about God?

God is said to choose and arrange us in the local church. He has given us the abilities to serve one another.

Is there anything for which I should repent based on this text?

Is there anyway that I have failed to care for others in my church when I've been able to do so?

How might God use this passage to make me look more like Christ?

As Christ has cared for me and as He cares for others, may I look more like Him in offering care as well.

How does this passage affect evangelism?

How can I edify the church based on what this passage says?
