

## Affirmation of Member Commitment

I will be diligent to exercise self-control so that my lifestyle exhibits both true Christian love and personal holiness.

I will faithfully assemble with this body of believers, striving to maintain unity, and doing all I can to stimulate love and good deeds in others as I seek to exercise my spiritual gifts in faithful service.

I will consistently contribute, as a good steward of God's blessings, such time, talent, and resources, in the measure that God prospers me, so that the local and worldwide ministry of spreading the gospel may continue.

I will teach biblical truth to my family and acquaintances, as God gives me opportunity, with a desire to see them come to trust Jesus Christ and be saved.

I will always be willing to both give and receive admonition and instruction with meekness and in love.

I will commit to praying for the ministry here in this church, my brothers and sisters in Christ, the elders, pastors, and deacons; and for the lost who need the Savior.

I will, with the aid of the Holy Spirit, seek to love, encourage, teach, admonish, comfort, and exhort other members, with a genuine desire to see each one grow in the knowledge of Christ and His Word.

### Outreach Prayer

#### Community Pregnancy Center

Please join us in prayer for Community Pregnancy Center. Praise God for His provision of enough volunteers to meet their needs during the month of December. Praise Him for His continued protection over their facility. And praise Him that an 18-year-old client who had contemplated abortion changed her mind and delivered a beautiful baby girl in November.

Pray that God will continue to provide His wisdom and guidance to the staff at CPC as they counsel clients. Pray that He would continue to provide protection over the facility and the staff. Pray for those who are contemplating an abortion—that their eyes would be opened to see their unborn child as the precious gift from God that they are. And pray for those who have already made the decision for abortion—that they would be shown that there is forgiveness and grace through Jesus.

**Book of the Month**

***The Expulsive Power of a New Affection***  
by Thomas Chalmers

*"In this printed sermon, Thomas Chalmers exhorts believers to remove the shackles of sin.*

*Many in the christian life believe that progressive sanctification—the killing of sin and the increase in the likeness of Christ—is accomplished through a constant reminder that sin is bad and incurs God's punishment. This is true and helpful to meditate on. Thomas Chalmers pushes back against this idea. He asserts that lasting change must result from a superior affection or love for God. This is a quick read that will prove helpful to your spiritual life."*

***Have I Sinned Against You?***

by Tim Challies

*"As a leader within a local church I've had many opportunities to guide people as they grapple with confrontation and I have observed that a lot of what we want to confront in other people is not sin but annoyance. Often our purpose in confronting people is not to deal with fallout from sin, but to air grievances. We want to give vent to our annoyances and then just walk away. Yet the Bible doesn't give us permission to confront people unless we can identify the ways in which they have actually sinned against us."*
