XIII. The Rescue App: The Effort of Soul Recovery (Jas 5:19-20)

15:12-13)*

1. Rescue the wandering: drifters from "the truth" (Jn 14:6; Gal 6:1-2)

*B. The effort to scatter from the "family" is real: the enemy has a
strategy (I Pet 5:8)*

1. The options for attack come from all angles (Jas 1-5)

C. It is worth the effort: life change now and forever (Jas 5:20).

1. Guide them in a change of life direction

2. Rescue from soul damage: inner life turmoil

3. Bring relational healing with God and others
