College and Young Adults Bible Study

Have you ever wondered what the Bible says about wisdom? If so, we would love for you to join us as we begin our study of the wisdom literature of the Old Testament. These wisdom books have much to teach us about key issues in our everyday lives. Join us for this study on Monday nights at 6:30pm. Dinner will be provided. This will be a great opportunity to share a meal, fellowship, worship, and study the Bible in a community of other college students and young adults. Contact Jaquane Parker (Jaquane@capitalcommunitychurch.com) for more information. Please register online.

Kids Training Center for Worship

We have two rooms available for parents as they seek to train their kids to attend the worship service. The Family Life Center and the Mom’s Room (Room 207 in Cap Kids) are there for the little ones and parents to use as they worship. The Mom’s room is designed for moms to provide care for their infants. The FLC Training Center is designed for families with young children who need extra support during worship service. Both rooms live-stream the service and are comfortable for families to train infants and small children for the future.

Knowing God by JI Packer
Stemming from Packer's profound theological knowledge, Knowing God brings together two key facets of the Christian faith — knowing about God and knowing God through a close relationship with Jesus Christ.
