Kids Training Center for Worship

We have two rooms available for parents as they seek to train their kids to attend the worship service. The Family Life Center and the Mom's Room (Room 207 in Cap Kids) are there for the little ones and parents to use as they worship. The Mom's room is designed for moms to provide care for their infants. The FLC Training Center is designed for families with young children who need extra support during worship service. Both rooms live-stream the service and are comfortable for families to train infants and small children for the future.

This week @ Cap Kids

Apply: By obeying his or her father and mother.

This Week: As a family, read Leviticus 19.

Next Week: Numbers 11-12

RESOURCES

MONTHLY MISSIONS SPOTLIGHT**Charstar: Andy and Quinn Webb**

Charstar workers participate by planting churches in these least-reached communities, where He is yet to be worshiped.

The Webbs are on the mission field in a country that is almost 100% Muslim. They are working to establish home churches (it is illegal for churches to have a building) and disciple believers.

CAPITAL BOOKS**Book Highlight for the month*****Evangelism and the Sovereignty of God* by JI Packer**

If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this new edition to the popular IVP Classics how both of these attitudes are false.
