

SUMMER BOOK PROJECT INFORMATION

*****Pick One*****

PowerPoint: You may create a power point presentation best depicting your book to include pictures, quotes and notations that are meaningful to your book. Please include title of book, author, characters, setting, conflict/problem in book, any lessons learned, and your opinion of the book. Please save presentation onto a USB drive and be CREATIVE! (pictures need to be labeled).

Poster Board Presentation: Using a large poster board, find pictures, either your own art work or from magazines/internet, to best depict your book. Pictures need to be labeled. Again, areas that need to be represented are: title of book, author, characters, setting, conflict/problem, lessons learned and your opinion of the book. BE CREATIVE!

Travel Brochure: Using a blank sheet of paper, fold it in thirds. The cover of the brochure should include a title and a creative “photo” of the setting in the book. Inside the brochure, please include pictures and descriptions of the setting, possible characters you may meet, and important details from the book. Don’t forget to put captions with all your pictures. BE CREATIVE!
