A Mighty Fortress Is Our God

#42964 by Frederick Hedge and Martin Luther Public
Domain

Verse 1

A mighty fortress is our God
A bulwark never fa - iling
Our helper He a - mid the flood
Of mortal ills prevail - ing
For still our ancient foe
Doth seek to work us woe
His craft and pow'r are great
And armed with cruel hate
On earth is not his e - qual

Verse 2

Did we in our own strength confide
Our striving would be losing
Were not the right Man on our side
The Man of God's own choosing
Dost ask who that may be
Christ Jesus it is He
Lord Sabaoth His name
From age to age the same
And He must win the bat tle

Verse 3

And tho' this world with devils filled
Should threaten to undo us
We will not fear for God hath willed
His truth to triumph thru us
The prince of darkness grim
We tremble not for him
His rage we can endure
For lo his doom is sure
One little word shall fell him

Verse 4

That word above all earthly pow'rs
No thanks to them abi - deth
The Spirit and the gifts are ours
Thru Him who with us si - deth
Let goods and kindred go
This mortal life also
The body they may kill
God's truth abideth still
His kingdom is fore - ver
