Community Group Questions: “Witnessing for the Light”

1. Just as John the Baptist, we have been appointed by God and specifically designed for that appointment. If God has prepared us for a purpose, what does that tell us about how we should look at our past or perhaps even our ancestry? How ought that effect how we view present circumstances and struggles?

2. Read Ephesians 2:10. How does this passage reinforce for us God’s sovereign design and appointment for our lives?

3. In addition to being appointed by God, God has assigned each of us with the task to be a witness for Christ. What does it mean to be a witness?

4. During the sermon, Erwin said: “Witness does require *some* proclamation, but it is often less than we think and more than we do.” What do you think he meant by that?

5. What are some different ways that we can be a witness (or draw others to Jesus)? Discuss with your group; be creative and encouraging to each other!

6. What are some ways your community group can help and encourage each of the members to be witnesses in their own unique ways?
