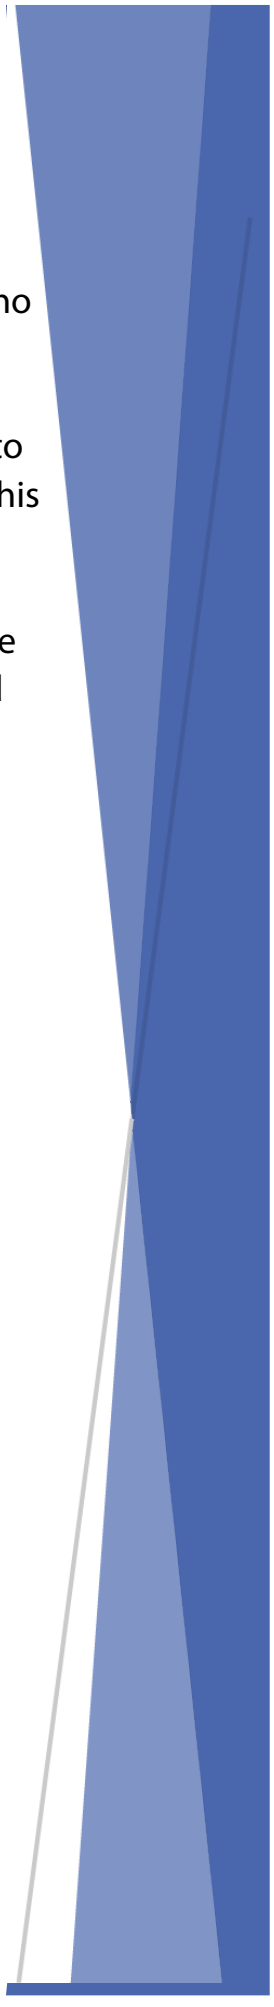
### Application Questions

1. Why is it important to view salvation through the lens of God's purposes rather than our benefit?

2. What is the danger in focusing on predestination in our evangelism?

3. How can thinking about faith help us to have assurance of salvation?

### Romans 8:28–30 (ESV)


28 And we know that for those who love God all things work together for good, for those who are called according to his purpose. 29 For those whom he foreknew he also predestined to be conformed to the image of his Son, in order that he might be the firstborn among many brothers. 30 And those whom he predestined he also called, and those whom he called he also justified, and those whom he justified he also glorified.
