<sup>13</sup> Contribute to the needs of the saints and seek to show hospitality.

## Application Questions

1. Why is it so important to understand that all of these commands from Paul are a result of salvation, not a prerequisite?

2. Why is it important for us to see that the "needs" of the saints can be (and often are) more than financial?

3. What is the first thing you think about when you hear the word "hospitality"? Why is that first impression often not helpful?
