“To God Be the Glory”

This morning as we celebrate Easter we are reminded of the hope we have in Jesus because of His resurrection from the dead. What wonderful good news amid a world with little good news of late: *“Christ is Risen! He is Risen indeed!”*

**Eastertide 2021** | The time between Easter and Pentecost is called “Eastertide” in the Christian calendar. This is a season where we have an extended celebration of Christ’s resurrection and where we explore the importance and effect of Easter for the redemption of all creation, and for joyful Christian living. In our worship during this season we will be exploring themes related to Easter. Everyone is invited to read Scripture passages from the Revised Common Lectionary throughout the week to help focus on these themes. Some of our sermon texts in this season will be drawn from the Lectionary readings. This week you are invited to read: Acts 4: 32-35; Psalm 133; 1 John 1: 2-2:2; John 20: 19-31.

As we gather for worship for the new months, we will continue with the procedures that have been for place for a while. If your Community is scheduled for worship on a particular Sunday, look for an email with the Eventbrite link to sign up on Monday or Tuesday. If there are extra spaces by Friday, a link will be sent to the entire congregation with the bulletin to fill the extra spaces available for the Sunday service to a maximum of 100 people.

Our schedule for sign-up continues as follows:

April 11	Communities	9,11,13,14
April 18	Communities	5,6,7,8
April 25	Communities	1,2,3,4

All attendees are required to wear a mask and maintain a 2-meter physical distancing both in the building and while outside.

***Amendment to COVID Policy Regarding Indoor Worship*** | Per Ontario's reopening guidelines, we recognize that "individuals who live alone, including seniors, may consider having exclusive, close contact with another household." If this is your situation, you may choose to sit with this other household on Sunday morning in worship. Please make every effort to enter the church and be seated at the same time. This amendment to our policy only applies to individuals who live alone; all others will continue to be seated with those in the same household.

And in this pandemic year, express your gratitude for the way God's love has carried us through these very difficult times. **CAP, or Congregational Assistance Plan, is a way for our CCRC to make counselling services available for everyone in the church.** From time to time all of us are faced with difficulties. Usually, we are able to resolve them. But there come times when our usual ways of coping no longer seem to work. This is especially true in this stressful time of lockdown and pandemic that we find ourselves in. If this is happening to you, CAP offers professional Christian counselling support to you as an individual, as couples, and as families.

Through the Shalem Mental Health Network, CCRC is able to offer a solution-focused counselling model of up to 6 free sessions in a year. A professional Christian counsellor will help you to develop a strategy to cope with and resolve a variety of issues, including marriage difficulties, adolescent and children's issues, bereavement, stress, trauma, depression, anxiety, addiction, abuse and others.

### **What's the First Step?**

To use CAP, you do not need to be referred by your doctor, pastor or elder. Simply call Shalem's CAP number **(1-866-347-0041)** and mention that you are a member of CCRC. An intake staff will ask you a few questions to determine the issue about which you are seeking counselling and to note any specific requests, such as wanting a male or female counsellor, evening appointment times, etc. You will then be contacted by the appropriate CAP counsellor, who will set up your first appointment with you.

**More Questions?** Go to [ccrc.on.ca](http://ccrc.on.ca) and follow the links to CAP or talk to Pastor Amanda.
