# Welcome, Pastor Craig!

On July 8, Dr. Craig Hartzog will officially be the new Associate Pastor of Member Care here at Central Baptist. He, along with his wife, Freida, are very excited to begin the next phase of their life here in Warner Robins.

He and Freida have three daughters and seven granddaughters. A native of Florida, he served as pastor of several churches there before his last position in Brunswick, Georgia. Pastor Craig loves fishing, hunting, gardening, woodworking, sports and reading.

His desire is to live for Christ and be an example through his life, testimony, and personal faith. "For our appeal does not spring from error or impurity or any attempt to deceive, but just as we have been approved by God to be entrusted with the gospel, so we speak, not to please man, but to please God who tests our hearts." 1 Thess. 2:3-4

We at Central can't wait to see what God has in store for him here! ■

## Introducing... Equip Central

by Rev. Drew Heurion, Assoc. Pastor,  
Discipleship & Evangelism

**E**quip Central will be the new name of our Wednesday night adult discipleship classes. Our mission will be simple: **Equip Central exists to help make mature disciples of Jesus Christ by offering in-depth biblical and theological training.** Toward that end, we will be offering two types of classes each semester: **Foundations & Growth.** As the name suggests, our Foundations courses will be aimed at giving everyone the opportunity to understand the essential content of the Christian faith and will be offered on an ongoing rotation. Growth classes will be more like electives which may or may not be offered again. Instead, they are designed to create fresh opportunities for individuals to continue to grow in their faith. Courses under this heading will range from “Paul: His Life & Theology” to “Grace-Centered Parenting” and everything in between! Classes will begin **August 14th.** You can learn more by visiting us at [www.centralwr.com/equip](http://www.centralwr.com/equip) or searching for “Equip Central” on facebook. Hope to see you in class! ■
