Please answer each question.

Circle **Y** for yes and **N** for No. You may attach extra pages for explanations.

- Y N As a church worker, do you agree to observe all guidelines and policies regarding working with youth or children?
- Y N Have you ever been convicted of a criminal offense (felony or misdemeanor) except for minor traffic violations? You will need to answer “yes” is you have entered into a plea agreement, including a deferred sentence or deferred judgment arrangement, in connection with a criminal charge. If you have been convicted of such an offense, please attach a statement of explanation, including nature of offense, date, court where conviction was entered, and any other relevant information.
- Y N Have you ever been charged with a sexual offense or offense relating to children? If you have been charged with such an offense, please attach a statement of explanation, including the nature of the offense charged, date, law enforcement agency making the charge, and any other relevant information.
- Y N Have you ever been the subject of a validated report regarding abuse of or misconduct concerning a minor?
- Y N Have you ever been disciplined or dismissed from employment or a volunteer position by any employer, including charitable and religious organizations, following an allegation of sexual misconduct, sexual harassment, or other immoral or inappropriate behavior or conduct? If so, please describe the circumstances and the name and address of the employer.
- Y N Do you have any investigation, review, or disciplinary action pending by an employer, organization in which you volunteer, licensing authority, or professional association for the sexual misconduct, violence, or misconduct involving children?
- Y N Many people have experienced abuse at the hands of others. Most of these people abhor such behavior and are especially alert and sensitive to the need to provide a safe and caring environment for children. At the same time, residual effects may remain in some people’s lives, including a hesitancy to report suspected child abuse. In order to learn whether you have had such an experience and may need some pastoral assistance in dealing with any after-effects, we need to ask whether you were ever abused or molested while a minor?
(Any survivor of childhood abuse needs love and acceptance of Central Baptist Church, and, rather than answering this question, you are invited to discuss this matter and your desire to work with youth/children with a minister at Central).
