# MONKEY TAILS

## Make the Point

It was hard to tag people when you were blindfolded and couldn't see. The two men walking with Jesus didn't have blindfolds, but they were blind to who He was.

## Prep

- Cones to mark playing area
- Two blindfolds

## Play

- Choose two kids to be blindfolded and explain that they are the *Monkeys*.
- Explain that the *Monkeys* will start with one person already on their team. That person will lock arms with the *Monkey* and give him directions to help him tag people while he is blindfolded. Once a person is tagged, she links arms with the *Monkey's* helper and becomes part of the monkey tail.
- Tell kids that the purpose of the game is to have the longest monkey tail.
