CURRICULUM

WED, JULY 8, 15, 22 ... 7:15 worship, 7:30 - 8:45 classes

Choose ONE of the following classes; each meets for all 3 weeks.

1. ORGANIZE YOUR LIFE

Teacher: Ellen Shimada

What's your goal? What do you want to achieve? Hebrews 12:1 tells us to "run with perseverance the race marked out for us". Using the parallels between running a race and living out the Christian life, Ellen will help you get organized and focused in getting where you want to go.

This class will help you set good goals, and provide practical tips for helping you thrive as you work toward the goals you want to achieve.

2. PRAYER: From Duty to Delight

Teacher: Donna Katagi

Why pray? What does prayer accomplish? How does it make a difference? We all know we should pray, but many of us just feel guilty. We think: *I'm not good at it; I should pray more.*

Donna will use Timothy Keller's excellent

book and resources on *Prayer* to inform, strengthen, and encourage your prayer life. Each week we will explore a key idea and study a Psalm as a model for how to pray. You will be asked to practice prayer exercises at home -- you will NOT have to pray out loud in class!

3. SOLVING THE SIN PROBLEM

Teachers: Erik Kakimoto and Brandon Katagi

Sin is the essential problem in both the biblical narrative and our own lives, yet our understanding of sin is very limited. In this class, we'll examine our struggle with sin at three key points in Scripture.

As we study what the Bible says, you will gain a greater understanding of the magnitude of sin, God's gracious provision for sin and our role in overcoming sin. You will come away with a deeper appreciation for the love and grace of God!

Your Word is a lamp for my feet and a light on my path (Ps. 119:105)
