

About Chapel Church

Welcome to Chapel Church! Here you'll find a lot of opportunities to grow in faith and build relationships. As we do that, our main objective is to "Raise up fully committed followers of Jesus Christ." To that end, we encourage all those who associate themselves with this church family to actively participate in the worship of God, the study of scripture, serving His people, and sharing the love of Christ with others.

We are not a perfect church, nor are we perfect people, but we share a common purpose: to know God better and do our best to honor Him with our lives. We invite you to check us out, and we trust that you will find a place where God is glorified and His people strengthened.

Fall 2018 Men's Retreat

SEPT. 14-16, 2018

SAFE JESUS, UNSAFE LIVING

"Why try? I am only going to fail and not measure up..."

Since this is about God, is it even worth trying? What if Jesus not only wants you to succeed, but even sets you up to succeed? Jesus used a lot of humor in His teaching, and we'll talk about it. Jesus never fired anyone, and even fought for the people that were belittled for their lack of holiness. Jesus was a leader who made it safe to follow him. And just as important, he unleashed people to live the lives they never dreamed they could. We'll talk about the adventure, and we'll experience it: the adventure of **Safe Jesus, Unsafe Living**.

WHAT TO EXPECT

Friday night at 5:00pm, we will gather as a group to start the weekend. Rooms will be assigned and a weekend agenda will be available. A meal will be provided at 5:30pm, with the program beginning at 7pm. There will be sessions on Saturday morning, Saturday evening, and Sunday morning. Other meals included are Saturday breakfast, lunch, and dinner, and Sunday breakfast and lunch.

On Saturday afternoon (1:00-5:00pm) we will break off for a period of free time. During this time, you're welcome to the many activities offered at Camp Hebron, including: **fishing, gymnasium, various courts & fields, hiking trails, disc golf, and rec rooms.**

RETREAT SPEAKER

JACK DYSON

Life is an adventure – you live yours or you watch others live theirs. Jack's adventure has taken some interesting turns; things like falling in a sewer in India, visiting all 30 Major League Baseball stadiums along with 13 other guys, training God's people in Europe and Asia, going to Malaysia to golf on a missions trip, and walking the D-Day beaches of Normandy. Jack was drawn to Christ when he discovered that Jesus died for him so he could have a relationship with Him. He has since been growing into that awesome intimacy, and has had the privilege of fostering that adventure and intimacy for others since. Because he found Jesus to be an incredibly safe leader, he has been encouraged and challenged to live an unsafe life.

Jack has been in ministry for over 33 years. Besides baseball, he enjoys soccer and photography. He has been married to his wife, Gladys, for 38 years, and has two married adult children and two grandkids.
