

# **THE CHAPEL MESSENGER**

MARCH 2022

## **A Letter from Pastor Josh**

*"Raising Up Fully Committed Followers of Jesus Christ."* March 2022

Chapel Friends,

I'm grateful to announce our community Lent services this March. Chapel will be joined alongside St. Paul's, Emmanuel, and Winterstown UMC's. We will be gathering Sunday evenings at 6pm with a time of refreshments and fellowship afterwards. Each week we will gather at a different church, hear a message from different pastors, and hear different music. I look forward to worshipping with you and members of our neighboring community as we prepare for Christ's resurrection.

For Him,

Pastor Josh

### **SPRING CRAFT CLASS/WORKSHOP**

Join us on **Thursday, March 10** at **10-12 noon** in the Education Wing. We have a super cute Easter craft that you will enjoy making and arranging. Since we couldn't decide on just one craft (smile), there are two samples shown in the lobby of the main church building and in the main entrance of the Parish Building, along with sign up sheets. You will only make one of the crafts, but instructions and supplies will be available for the other craft if you choose to take home to make. Each craft is \$5.00, so if you make one and take another home to complete, your cost would be \$10.00. There will be several other crafts on display with ideas on how to get supplies and make on your own.... so go home with one craft and ideas for additional projects for the spring and summer!

NOTE: If you are unable to attend during the day, please contact Gaye Ludwig at 717.495.4959 as we will consider an evening class.

## SOCIAL NOURISHMENT

## Adult Ministry

Several of our small groups have just begun new study topics and are preparing for Lent. New materials have been purchased to accompany the lessons. The lessons involve videos that are engaging and inspiring. The classes use materials from RightNow Media. If you would like to join RNM, please send an email to George at the address listed below. We encourage you to check out the many classes we have to offer here at chapel. If you are looking for a class to join and want more information about the class, please contact George Bradshaw at your convenience. He can be reached at [George@chapelchurch.org](mailto:George@chapelchurch.org) or 717-244-6375, Ext. 107. Thank you!

## **Leadership Council Updates**

**Thank You to Bill Leight:** As most of you know, Bill Leight has been serving as our Interim Facilities Maintenance person for the past 6 months until we could find a permanent replacement. Bill has done an outstanding job for us, and we can't begin to thank him enough for always going above and beyond in his service for Chapel Church. The day care director reported that Bill has been such a blessing to them in addressing the maintenance needs of the church while spreading his smile and love of Jesus to the staff and the children. Even though Bill will not be at the church quite as often, we know that he will continue to stop in to visit the daycare while he goes about his other service areas to the church. Please take the time to thank Bill for his blessed service to us in so many ways!

**Welcome to Matt Forney as our Facilities Maintenance Person:** We are pleased to announce that Matt Forney has recently started as our part-time Facilities Maintenance Person. Matt has been involved in our Men's Ministry area at Chapel for the past few years and has shared his personal testimony with us in various ways. In his earlier work experience, Matt had performed maintenance work at Coventry at Waterford Apartments and then worked construction for several years building houses for various construction companies. As a result he is familiar with plumbing and electrical work from his varied construction experience. Matt also has many other talents and currently operates a small business with his fiancé called NIH (New In Him) Media, where they do photography and videos for weddings and other events on the weekend. Matt has been a member of Chapel Church and is excited to be working around other Christians during the week as he does our maintenance work. Please welcome Matt when you see him at work at Chapel!
