Meet Vicar Ellory Glenn

On February 17, 2019 Kathy and I have begun a new chapter in our lives. We have been given the honor and opportunity to serve our Lord as vicar and wife for Chapel of the Cross - Lutheran with a final goal of ordination as a Specific Ministries Pastor, or as it's more commonly known, SMP pastor. As most of you know where we have come from, I would like to take the opportunity to answer some questions about the ministry I will be filling during my vicarage and pastorate.

Kathy and Ellory Glenn

What is the Specific Ministries Program?

The SMP program was approved by the LCMS in convention in 2007 as the result of a ten-year debate of the growing need for alternatives to the standard route to ordination to fill specific needs in ministry. This need includes churches that are active but can no longer sustain a full-time pastor. SMP pastors also fill mission voids such as outreach to the community for churches that have a senior pastor but need a specialist for the program. And, as with all pastors, an SMP pastor proclaims the Word and administers the Sacrament.

What mission programs will you be involved in?

The primary mission that I am assigned is minority outreach within our community and veteran outreach and care. Within the community I will be visiting with both residents and leaders to address issues where we as a congregation can lend assistance with spiritual needs as well as physical and emotional needs. The programs we have in place such as Sidewalk Sunday School, Summer Camp, and Fine Arts Academy will also be areas I assist and work with. For veterans I will spend time at VA clinics and the Veterans Home visiting and sharing the Gospel. I am also planning on supporting Chapel's veterans and visiting veterans' organizations in our community.

Will you preach?

The primary mission of ministers is Word and Sacrament and SMP pastors are no exception. So you will see me with new functions at Chapel including being a liturgist, leading Bible studies, and eventually preaching.

How long until you are a pastor?

The SMP program is a little different in both the learning process and route to ordination. I will serve for 2 years as a vicar as I am going to the seminary online. In two years, I will be provisionally ordained as a pastor. I will then complete the final two years of study and become a rostered SMP pastor.

Homebound Service

In addition to visiting and taking Communion to approximately 70 homebound people each month, one of the important ministries to them is that twice a year, before Thanksgiving and Easter, we have a special Communion service at Chapel followed by a wonderful lunch. While it is difficult for them to come to church on a weekly basis, many of our homebound are able to make it to these special services. They are brought by family, friends, or volunteers from Chapel who pick them up where they live. This year's Holy Week service is Monday, April 15, at 11:00 a.m. Please call the church office if you are interested in coming, and invite others you know who might be interested.

Chapel Travelers' Spring Trip

While plans are in the works for another spring trip, they have not yet been finalized. The time period for it will be sometime between April 29 and May 17. We will announce plans as soon as they are set.

GriefShare

We have now offered 10 years of GriefShare with over 200 participants from Chapel and the community, and what a blessing it has been, and continues to be to those who come. It truly is amazing how God's living Word can touch and begin to heal people in their darkest hours of grief. We continue to offer this on Tuesdays from 2:00 - 4:00 p.m., and Thursdays from 6:30 - 8:30 p.m. The 14 week cycle we are in at this time will run through April 9 and 11. It is never too late to join. If you are going through the journey of grief we welcome you to join us. Or if you know of someone in this journey, tell them about GriefShare. Brochures are at the Welcome Center, or contact Dave Funke.

Care Ministry

Chapel has two programs to help out our members who need assistance for a period of time. The first is providing meals to people so they don't have to prepare meals every day. The second is providing transportation for those who may not be able to drive to a doctor's appointment, do banking or shopping, etc. Call me if you would like to help out in one or both of these ways. If you need some assistance, or know of someone who could use some assistance in one of these ways, let me, or someone in the office know. This group is ready and willing to help out. You are not imposing on us. So give us a call. †††

Missions Ministry - A Strong Commitment to Action and Giving

Chapel of the Cross - Lutheran Church has a strong commitment for mission action and mission giving which expresses our faith, hope and love in Jesus Christ and obeys the Great Commission in Matthew 28:19-20. *“Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”*

We obey our Lord's command with mission action and mission giving in venues that reflect what we understand the original command meant: we seek to make disciples locally, nationally, and globally. We, who are tools and agents of the Holy Spirit, use His Means of Grace: Word and Sacrament!

From time to time it may be a good reminder and an encouragement to review just what mission actions we are involved in and just which mission efforts we are supporting. Below is a brief overview of some of the missions we pursue with our Lord's promise: *“Surely I am with you always, to the very end of the age.”*

OUR LOCAL COMMITMENTS:

Friend of Moms:

Our Baby Boutique provides new and gently used clothing and other resources to parents in need as available, anyone in need, raising young children or pregnant is welcome to call for an appointment. After “Getting to Know You” we can be on the look-out for additional needs and resources such as Children's books, Baby Equipment, Swings, Bouncers, etc. We thank God for this ministry to bless children and for opportunities to sort and prepare, and distribute donated items.

Spanish Lake - Helping Hands Food Pantry:

Chapel of the Cross partners with other area churches to provide the Helping Hands Food Pantry. The food pantry accepts applicants for food from the surrounding area. Individuals are able to pick up food once a month from 9:00 a.m. to 1:00 p.m. on the 1st, 2nd, 3rd and 4th Thursday of each month. Monthly, over 550 individuals look to us for help! Monthly in 2018, averages of 170 families were served at 1120 Trampe Ave., just 2.6 miles from our front doors. We are grateful for all who've supported this ministry and for the opportunities to serve.

Spanish Lake - Sidewalk Sunday School:

Chapel serves the residents and workers at the Spanish Cove Townhomes. In our seventh year, in 2018, we held eight celebrations and served nearly 300 children and adults in their own neighborhood at 1708 San Remo Ct, just 1.9 miles from our Sunday School Classrooms. Sidewalk Sunday School has been a blessing to all who have served and we thank God for this outreach ministry.

Ferguson - Hope Center:

Chapel, along with four other local Lutheran congregations supports this LCMS Synod and Missouri District outreach mission and ministry. Here the Gospel is shared through community support and a reading program for children. We thank God for this ministry exactly 5 miles from our church library.

On and off Campus - Summer Camp:

Our outdoor Christian camp in a day camp setting! Excursions take us on field trips to many of the most popular museums and attractions in St. Louis. Campers grow together on nature hikes in some of Missouri's most beautiful conservation areas and enjoy each other through games and activities at Chapel of the Cross. Campers grow in faith through daily devotions in God's Word and sing praises to God together in a worship service at Chapel. We thank God for an average of 50 children attending our 10 week Sumer Camp in 2018, which followed Memorial Day through the first week in August!

On Campus - Fine Arts Days:

On the third Saturday of the month, Chapel offers Fine Arts Days as a local church and community event that feature crafts, games and songs. Our activities and snacks work together toward a clear Gospel message. We thank God for the opportunities to use a variety of crafts to witness to nearly 20 children at each event.

On Campus - Grief Share:

Chapel forms grief support groups for those who have lost loved ones to death to help them in the healing process. It is a Christ-centered and biblically-based program designed to offer people comfort and support as they go through their journeys of grief. The theme verse for GriefShare is from Jeremiah 31:13, We thank God for this ministry where in the last ten years, around 200 people have found help and support in their journey of grief. We have groups each year, two in the winter-spring, and two in the summer-fall, each cycle having 14 sessions. In 2018, we had 25 people involved in this ministry of hope and healing.

OUR NATIONAL COMMITMENTS:

Mobile - Lutheran Early Response Team:

In 2016, Chapel began recruitment and training for a Lutheran Early Response Team (L.E.R.T.) Having now received and stocked our trailer, we thank God for this outreach ministry opportunity and look forward to being deployed to respond when a disaster strikes within our church and within the greater community.

People of the Book Lutheran Outreach:

POBLO International Ministries is a non-profit, Christian organization that is passionate about sharing the love of Jesus with Muslims and other immigrants and refugees living in the United States. This mission field is in our own front yard

Children's Christmas Program

What Child Is This? That was the title of our Children's and Youth Christmas Program back on Sunday, December 16, 2018 at the 11:00 a.m. Service. Each year, we gather the children to sing carols and hymns that celebrate the birth of a child - Jesus, born in a manger. But this year we asked "What child is this?" and "Why do we celebrate His birth?" The answers came through songs, readings and recitations. This child is: 1. THE CHILD OF PROMISE 2. THE CHILD OF MARY, 3. THE CHILD OF JOY, and 4. THE CHILD OF HOPE! As we sang and listened and heard the account of Jesus' birth, our hearts were filled with the Good News that the children shared: Jesus, the only Son of God, who was born to live without sin, suffer for our sin and die. His resurrection secures for us that He is our Lord, Emmanuel, God with us and Christ our King. We ended with the encouragement to go and tell it everywhere, "Jesus Christ is born!" May this pictures prompt us to go and do likewise.

Special Epiphany Service

On the weekend of January 5-6, Chapel of the Cross held a special Epiphany worship service which included a dramatic presentation of the Gospel reading. Led by the Chapel Arts Committee, original music titled "Procession of the Magi" was composed for various instruments with organ accompaniment, which also made use of the newly completed MIDI system. In addition, the three Magi (Jeff Arnold, Johnny Spears and Matt McEuen) dressed in original costumes designed and sewn by Marla Ackerman and Jeff Arnold.

Christmas Caroling

On Tuesday, December 18, Chapel's "Choral Singers" choir and friends visited the Delmar Gardens facility on Parker Road to share the news of Jesus' birth through songs and carols. The group of over twenty carolers strolled the halls for an hour and a half singing for residents and care staff.

Christmas Program

On Sunday, December 9, Chapel's Music ministry led the congregation in a special musical service titled, "Psalms and Carols." This version of the traditional "Lessons and Carols" service incorporated many well-known Psalms in the telling of the Christmas story. Chapel's choirs and hand bells were joined by the orchestra, featuring a brass quintet. Thank you to all the musicians, readers, directors, reception helpers, and everyone who participated in this special service!

and is responding by engaging in cross-cultural missions and grassroots community outreach here through training and partnering with local churches. In 2018, POBLO was one of three recipients of the 1-1-1 Dollars for Missions funds. We thank God for the work they do and the blessing it is for us to be able to support their outreach.

Lutherans For Life

Lutherans for Life exists to equip Lutherans to be Gospel-motivated voices for life. This makes us different from other for-life groups! We want to equip Lutherans to be positive, life-affirming voices that uphold the truth of the God-given value of human life, both in local congregations and in society.

We strive to affirm that each human life is created and gifted by God, that each human life is someone for whom Jesus Christ died, and that each human life is someone the Holy Spirit desires to call into an eternal relationship with Him. Several events take place throughout the year.

Mission Teams:

From time to time, several mission teams have been formed, trained and sent to serve in various places. Within the past twenty years pastor and laypeople have participated in missions trips within the United States and foreign countries. We thank God for opportunities to serve.

OUR GLOBAL COMMITMENTS:

Hope Seeds:

Hope Seeds, Inc. is a non-profit organization with a mission of providing quality garden seed to the hungry and hurting of our world, and teaching good gardening practices toward a more sustainable

solution to world hunger. Through missionaries and mission teams, Hope Seeds comes along to help feed the whole person – body, mind, and soul. We thank God for opportunities to pack seeds here at Chapel and at Grace Chapel Lutheran. Packing dates are on the second Monday of each Month! 2019 Dates are February 11 and April 8 at Grace Chapel and March 11 and May 13 at COTC, then off for June, July, and August and resuming in the fall.

Lutheran Woman's Missionary League:

The Lutheran Women's Missionary League (LWML) is the official women's auxiliary of The Lutheran Church—Missouri Synod. For 75 years, the LWML has focused on affirming each woman's relationship with Christ, encouraging and equipping women to live out their Christian lives in active mission ministries and to support global missions.

Last year our Chapel offerings for LWML came to \$709.50. This includes the mites collected at the Mary-Martha meetings as well as the mites from the first Sunday of the month mite box in the Commons

Our mite offerings are combined nationally to support mission grants around the world and in our state. Presently funds are being sent to Lutheran World Relief Quilt and Kit Shipping Fund and the Prison and Jail

Ministry in our Synod. The 22 Mission Grants are listed in the LWML Quarterly and on the prayer bookmark beside the mite box. We thank God for LWML mission opportunities and our Mary Martha Guild.

Tanzania - Global Lutheran Outreach - Eric and Linda Funke:

We are living in a time when the Christian Church is truly global and we believe it is neither efficient nor effective for every Lutheran church (or church body) to build their own missionary sending "apparatus". Eric and Linda Funke, working under the auspices of GLO, have focused on using their gifts in Tanzania. We thank God for this opportunity to support their work by loving and supporting their mission.

Apple of His Eye Mission Society:

The Apple of His Eye Mission Society exists to boldly declare Y'shua as the Messiah and urgently equip God's people to do the same. We are passionate about telling Jewish people and gentiles that Jesus is the promised Messiah and invite them to respond in faith.

In 2018 our special emphasis assisted the leadership of Rev. Bob and Kristi Roegner who received \$1,000 toward the brand new Lutheran Ministry in Israel. We thank God for the work they do through A.O.H.E.

Funding:

In 2018, Chapel began a new way of supporting missions through our English District, 1-1-1 Dollars for Missions. Simply stated this means: One Dollar - Per Member - Per Week. From September to December, 2018 Chapel members gave \$2,225. These funds are shared equally between our English District and the three designated mission emphases.

Annual Emphases:

Early in each calendar year, Chapel adopts mission goals for the coming year and encourages members to give throughout the year to highlighted emphases. In January our Missions Ministry voted to support all of these but place a special 2019 emphasis on these three: 1. *International* - Hope Seeds, 2. *National* - Lutheran's For Life, and *Local* - Helping Hands Food Pantry.

Please watch for news and opportunities to bless several great mission efforts in general and the three Chapel has identified specifically for the coming year. Please pray for the work of these groups. Please, as you are able, give a special offering of support to these ministries.

Beyond these special gifts, \$14,000 has been designated from the general budget for the work of Mission through the Lutheran Church Missouri Synod.

Thank you for strong commitment for mission action and mission giving, too! We thank God for expressions of faith, hope and love and obedience to the Great Commission. ✠✠✠

Grateful Food Pantry Recipient

by Ed Meyer

Below is a copy of a letter from one of the 6690 grateful clients of our "Helping Hands" Food Pantry.

From Lula Smith,

To all of you at "Helping Hands" Food Pantry, I want to thank all the staff here at this wonderful church for all the support that you have given to all of us that have received food from the pantry, here at this church. I can truly say it's been a true blessing from almighty God. His word states that in John 3.17.18 and also in Matt 25.34.35 "The Lord and our King will ask all of his sheep that hear his voice today, when thou see thee naked, thou cover him, and hungry and give them meat and I was thirsty and ye gave drink".

Thank you for all the cards you allowed me to send to the sick and those that are in prison, Matt 36-40 Prov. 14, 3, Hebrews 6-10: say "for God is not unrighteous to forget your work and labor of love," which you all have showed toward Christ's name.

Thank You So Much

Lula Smith

As you can see, the gifts in the form of food and money are very well received and appreciated. On behalf of all the clients and volunteers at the pantry, thank you for sharing your gifts from God. †††

What Solitaire Taught Me About Life

by Gary Timm

Okay, I admit it. I like to play solitaire on my computer. I know it's a pretty lame use of technology; but hey, I find it relaxing. And there are no commercials. Not long ago I loaded a solitaire game onto my Raspberry Pi just to see how that little \$35 computer performed. I found that version of solitaire had an interesting feature I had not seen before. In the bottom left corner of the window was a little box labeled "Solver" and at the start of a game it would say "This game is winnable."

At first I didn't pay too much attention to it. Then, in the middle of a game, I noticed it now said "This game is lost." I wondered how that came to be. It seemed like the game was going pretty well. Being curious I started clicking the "Undo" button to get back to the point where the game was still winnable.

Now I had always assumed that you lost in solitaire because you missed some opportunity to make a play. But what I found when I kept clicking the "Undo" button was the game was lost when I made a perfectly reasonable play. Something logical, like moving a king to an open column or laying a black five on a red six resulted in the grim announcement, "This game is lost." And then it occurred to me; wouldn't it be great if in life a little light came on to tell you the path you are on or the decision you made is not for the best. Sadly, in life we do not have an "Undo" button allowing us to back up to the point just before a big mistake is made, providing the opportunity to do things differently. But maybe we have something just as good.

Have you ever wanted something really bad? So bad that you more than wished for it, you prayed for it. Maybe even prayed without ceasing for it. But you didn't get it. You think it makes all the sense in the world for this to happen, just like the situation in my game of solitaire where it made all the sense in the world to move that king to the open column. Maybe we don't have the benefit of that little "Solver" box, but God does. And He knows the thing that you want so badly, just like moving the king to the open column, will result in the news "This game is lost." God is looking out for us and knows the path we must take to win the game. As a pastor friend once told me, "When God doesn't give you what you want you should rejoice because he is going to give you something so much better."

Another aspect of this solitaire game is that there were times when the

game really looked bleak. The right cards just never seemed to come up. But yet the little "Solver" window continued to say "This game is winnable." So I struggled onward, putting my faith in the "Solver" window, and eventually the game was won. And so it is in life, if we follow God's guidance and put our trust in him, we can be confident that in any situation the game can be won. †††

Ellory Glenn, from page 1

Why are you doing this now?

This is actually the path I originally started on when I was young but was not mature enough to be a pastor. The fire reignited when I became an elder, and especially when I became the chairman for the elders. Pastor Laesch and I presented the plan to the Board of Elders and the Board of Directors and both felt this was a positive for the future mission and ministry of Chapel of the Cross.

An update on the Family

Most of you already know my children as they finished growing up here at Chapel but, a quick update to additions you may or may not know. Kathy and I have been married 44 years and have five children: Chenoa Heather Hughes (Seth); Zebulon Joshua (Jessica), (children Isaiah, Sophia, Giada, Jason); Mirah Ann Moore (children Alexander, Jordan) Racheal Marie Alcozer (Tony), (daughter Olivia Marie); Micah Anthony (Dorothy), (children Jonathan, Talitha, David). The blessing our family has received from this relationship with all of you has been far more rewarding for us than anything we have given you in return. We thank you for your fellowship over the last 23 years and we look forward to serving you and the opportunities that we will discover together to the glory of God. †††
